Dear Ms. Shirley Kalinowski,

I wanted to express my most humble appreciation for your donation of books to the Student Services Department. Please accept my apologies for getting this letter to you later than we had wanted to. We have been able to share them with families who might not otherwise be able to buy their own books. Children have been very elated to learn that they could keep a book that they were interested in while visiting our office. Once again thank you!

Sincerely,

ReJois Frazier-Myers
